Let's hang out on the hill this summer

The only thing better than being outdoors is being outdoors with family and friends, spectacular live music, and a classic film! The Church of the Transfiguration is offering our neighbourhood a chance to gather together "on the hill" to enjoy both the picturesque green space and free community events over the summer season.

*We understand what
a tremendous gift this
green space is to us at
the church and to our
neighbourhood.*

In our rapidly developing neighbourhood, communal green spaces are becoming harder to find and enjoy. So we understand what a tremendous gift this green space is to us at the church and to our neighbourhood. It gives us a space to re-connect with the earth in the heart of our city, to find rest amidst our busy lives, and to connect with one another. We do hope you will

join us, bring your family and friends, pack a picnic, and come to the park "on the hill".

The events are free, however a space will be given for those who desire to financially support the maintenance and community use of the hill. It is our desire to continue to offer this green space as a safe and comfortable gathering place for all in the neighbourhood!

In this flyer you'll find the dates and times to our Music Nights on the Hill series, our Fun on the Hill children's event, and our Movie Night on the Hill. For descriptions about the musicians and details about the movie selection, please visit our website: churchofthetransfiguration.ca/on-the-hill/

I look forward to seeing and meeting you on the hill this summer!
All are welcome! ✚

Sincerely,
Rev. Dan

BUGS! BUGS! BUGS!

Children's entertainer **Rob Joy** joins us for a guitar-strummin', toe-tappin' musical extravaganza all about the insect world!

This show is an interactive and engaging sing-along with guitar and is sure to include an "out-of-the-suitcase" appearance from puppet sidekick "Sluggo".

Fun for children of all ages and their families.
All are welcome!
